Some issues at the high school

PTPC has received some complaints about rude behavior and noise at the high school courts.

We ask our pickleball players to be courteous and respectful at all times. The Port Townsend School District has graciously allowed us to use these courts. It only takes one player or one instance of inappropriate behavior to ruin this benefit for all. We need to coexist peacefully with all of the other users of this facility, tennis players, students, school staff, and the public.

If you as a player are provoked by an outsider, please do not engage. Just walk away!

The complaint of noise still persists, and more recently was exhibited in a most inappropriate way by vandalism to the courts. The police were called, and the School District has been informed. While most of the noise is due to exuberance and human joy, please be aware of the noise level and avoid using offensive language.

Thank you,
PTPC Board

PTPC Capital Campaign a huge success!

We have raised over \$39,000 in our capital campaign to upgrade the courts at Mountain View. Thank you to all of our amazing donors and supporters.

We are close to finalizing our contracts with the vendors and once those contracts have been signed, we will ask those who pledged to send in their donations. We are asking for the money to be paid by check to avoid the 3% service fee PayPal charges. Please look for the email calling in the pledges in the next couple of weeks.
