

PTPC Special Board Meeting

August 23, 2021

The meeting was called to order at 3:30pm by President, Lynn Pierle at Patti Rowdabaugh's home. Present were Patti Rowdabaugh, Lynn Pierle, Kim Anderson, Jim Dow, Jim Geren, Jeannie Ramsey, Eric Seder, Craig Walls and Sharlene Shiroma.

The topic of discussion at this meeting was on the new Courthouse pickleball courts on how to set it up for club members to use.

Eric and Lynn talked to Matt Tyler about possibly setting up specific hours and days for club members. Matt suggested charging a fee of \$15/day. The Board unanimously agreed to decline Matt's proposal of charging the club a daily rate and instead propose our suggestion to keep the courts public and have a process of how to integrate players who are waiting to play. Possibly have a paddleboard holder put up.

The Board agreed that players should not use Playtime Scheduler to schedule the Courthouse courts, but to use it as a communicator to let players know who will be there and approximately how many are playing. Both courts should be drop in.

Lynn will send out a Blast on using and organizing play on these courts.

The meeting was adjourned at 4:30pm.

Respectfully submitted,

Sharlene Shiroma
