Mountain View court surface ready for play on Sunday, 9/11!

The repaving of the Mountain View Courts was completed on Friday, Sept. 9. The surface will be ready for play Sunday, Sept. 11. Please do not use the courts before Sunday.

Due to supply chain issues, the permanent nets and fencing will not be installed until mid-October. Meanwhile, use the portable nets in the storage locker.

Please be careful not to tramp debris, mud, grass onto the new courts. Mats are being provided to wipe your feet! Use caution with these new courts. Until the fencing has been installed, there is a drop-off on the edge of the courts.

Also let us know if the surface is too gritty. It can be resolved.
