Port Townsend Pickleball Club

Calling All Intermediate Players!!

The club will be sponsoring an Intermediate Mixed Doubles Tournament on Saturday, September 23rd at the Mountain View courts. The tournament is open to all club members with a rating between 3.0 and 3.5. If you have a team and wish to sign up, send an [email to PTPC, attention Jeannie Ramsey](#) with the player names and phone numbers. If you want to play but do not have a partner, send an [email to PTPC, attention Jeannie Ramsey](#) with your name and phone number, and Jeannie will do her best to create teams from individuals. The deadline to sign up is September 17th, so act fast!

Delinquent Membership Dues

A majority of PTPC's members have paid their dues on time (they were due on July 1st). To all of you, thank you very much!

Unfortunately, there are a large number of individuals who signed up but have not paid their dues yet. If you are one of these people, please send your dues as soon as possible. We are now checking membership status at PTPC-sponsored events (for example tournaments and round robins), and you will no longer be eligible to play in those if you have not paid. Also in the future, if you have not paid your dues, you will no longer be receiving emails, like this, with club events and news. Please pay your fair share to keep this wonderful club going and growing!

PTPC Courtside Locker Cleanout

On September 23rd the club will be cleaning out the lockers at the Mountain View and High School courts. Over the course of the summer the club lockers have accumulated a lot of lost or forgotten equipment and clothing. If you are missing something from your closet, please check them for it! The lockers are not for individual use, so any abandoned items will be donated.

New Swiftnet™ at PTHS Courts

The club is constantly assessing what improvements to the facilities and club-provided equipment would best help members. One of our recent acquisitions was a Swiftnet Portable Pickleball Net at the Port Townsend High School. Because it's significantly different than the other portable nets, there has been some confusion about how to put it together. If you are uncertain there is a [YouTube video](#) with instructions. Enjoy!
