Drills Canceled for the Season

Club-organized pickleball drill practice is canceled until next spring. Remember, however, that you can still do pickleball drills on your own, and they are one of the best ways to improve your game. Consider using the first 15-30 minutes of your court time to practice the basic shots: dink, volley, serve and drives. As your game develops, drill third shot drops, resetting, lobs, and other strategies. Search YouTube for drills to improve your game!

Mountain View Courts Update

Though not always visible, we continue to make progress on the Mountain View court project. The Club has secured a fencing contractor and installation is slated to start in January.

Happy Holidays!

The Board of the Port Townsend Pickleball Club wants to wish you all a safe and happy holiday season. Many thanks to all of the volunteers and players that made 2022 a fun and eventful year. We look forward to seeing you all again next year with hopefully a few new faces!
