PTPC Weekly Round Robins

Intermediate Round Robin (RR) play has proved so popular that the PTPC is expanding it to three offerings per week. Intermediate, 3.0 - 3.5, players are welcome to participate Mondays, Wednesdays and Fridays from 9:00-11:00 at the PT High School. Each session can include up to twenty people on 4 courts with an automated waitlist on Playtime Scheduler. The RR sessions are posted on Playtime Scheduler before noon 5 days in advance of play: Monday RR posted on Wednesday, Wednesday RR posted Friday, and Friday RR posted Sunday. Join us for 1, 2, or all 3 of these sessions! The goal is to offer organized, fast moving pickleball fun and community building.

PTPC Advanced Mixed Doubles Tournament

Conditions should be great this Saturday, August 26th, for the PTPC 2nd Annual Advanced Mixed Doubles tournament. The tournament will start at 8:00am at the Mountain View courts. We have 12 teams that will square off in two Round Robin divisions, playing 5 games to 15, win by 1 in each division. The top teams from each division will compete in the medal rounds. In case of a tie in games won, total points won will determine those going to playoff rounds, and gold, silver and bronze medals will be awarded.

Please plan on joining us to cheer on the competitors. Bring your own chair and water bottle. Snacks and extra water will be provided, but you may want to bring your own preferred nutrition.

Players should show up early to warm up prior to start time. All players will have only a 5-minute warm-up time allotted prior to the 1st matches. The teams are:

Craig Walls and Susan Green

Don and Diane Bryson
Marry Critchlow and Jeff Lindsay
Libby Hartman and Don Church
Wayne Levine and Sherri Hanke
Josh Sage and Anne McClure
Weston Pratt and Heidi Lappetito
Steve Stratton and Libbey Lincoln
Sharlene Shiroma and Steve Smolinski
Erica and Brandon Mack
Hope Borsato and Rick Kelley
Jeannie Ramsey and John (Gilly) Gilmore

A special thanks to all of the volunteers, who will help keep tournament running smoothly.
